**IAM Invest Limited – Fraud Awareness**

In order to keep safe online, it is important to be aware of the latest security threats and fraudulent activity.

Established brands and regulated firms such as iAM Capital Group Ltd/iAM Invest Ltd can be targeted by fraudsters in order to add the appearance of legitimacy to their crimes. This can take many forms but in the past we have seen examples of fraudsters impersonating representatives of the company, or claiming to be affiliated with iAM Invest Ltd, the group's regulated entity, using its FCA reference number to appear legitimate. Bad actors may also use falsified or copied material (documentation, email addresses, websites etc.) that uses the branding and intellectual property of the company as a tool for such impersonation.

If you have concerns regarding the legitimacy of any communication with someone purporting to represent iAM Capital Group Ltd or one of the group's entities, please contact us immediately.

As and when we become aware of such impersonation or other threats involving iAM Capital Group Ltd, iAM Invest Ltd and its investors, we will endeavour to update this page for everyone's security. However, we make no representations or warranties in connection thereto and we encourage you to always exercise caution.

iAM Capital Group Ltd and iAM Invest Ltd will have no liability whatsoever for any and all losses and/or damages suffered by anyone who falls victim to such fraudulent activities.

Please note: iAM Invest Ltd does not offer any products to retail investors.
